FOR LATEST NEWS & RESULTS PLEASE VISIT OUR WEB SITE @ WWW.STOKERCMCC.CO.UK
or catch us on Facebook (Stoke Radio Controlled Model Car Club).

A copy of the club rules are available on request or can be viewed on the web site. Failure to comply with the Club / BRCA rules may result in your membership been suspended or terminated.

For insurance purposes you are required to have a valid BRCA Licence. There is no longer an option for an affiliated club, like StokeRCMCC to arrange a BRCA licence for drivers, it is your responsibility to organise your own, and have it available to show to a club official before you are allowed to race. Please note, you will have to pay £17 to the BRCA for membership which runs January to January and this can be done online.

*To qualify for the FAMILY DISCOUNT both family parties must become a member at the same time. Both are required to fill out a form. This also entitles each family member to a 50p reduction on their weekly race fee when both are racing on the same night.

OFFICIAL USE ONLY.	Amount received	By who	Date
